

CAR PARK REGULATIONS, GENERAL PARKING CONDITIONS AND PARK PRIVACY INFORMATION

CAR PARK REGULATIONS

Art. 1

The car parking space is only accessible after:

- you have collected the entry coupon or
- scanned the QR code on our Car Parking Pass upon entry or
- the number plate pre-associated with your Car Parking Pass has been recognised or
- UnipolMove customers license plate has been recognized or
- your Telepass device on board has been detected upon entry

Art. 2

The entry coupon can be collected at the car park entrance.

Art.3

The vehicle may only leave the car parking space after paying.

Art. 4

Payment must be made:

A) before the vehicle leaves the car park and it can be done:

- at the car park checkouts - automatic or manned - inside the Exhibition Centre or
- using your Smartphone or
- automatically using your Telepass device or
- automatically via the UnipolMove license plate service.

B) when pre-purchasing the Car Parking Pass in the reserved visitor area, via electronic payment. Please note: pre-purchase of the Car Pass is only possible up to 2 days before the start of the Event.

You must exit by no later than the end of the day, after which you will have to pay a supplement.

Art. 5

It is forbidden to introduce vehicles carrying flammable or in any way hazardous materials or substances.

Art. 6

Vehicles parked outside the dedicated spaces will be removed at the user's cost and risk.

Art. 7

The car park Owner/Manager is not responsible for safe custody of the vehicle as they only provide access to the parking area and the availability of spaces, in order to meet the needs of the public.

The manager is therefore not responsible for any theft, damage, fire, tampering, vandalism, natural disasters and/or actions of any kind and nature occurring and/or committed on the vehicle.

GENERAL PARKING CONDITIONS

- A. Vehicle parking is the responsibility and duty of the USER, who will be liable for any damage caused to people, vehicles and property in the car park.
- B. Users are advised to leave their vehicle locked with all the windows closed.
- C. The car park Owner/Manager will not be liable for damage or theft to cars or their contents as specified in the Car Park Regulations and in these GENERAL PARKING CONDITIONS. No safe custody activities by the car park Owner/Manager are provided.
- D. If the no safe custody clause is not accepted, the user is authorised to leave the car park without delay and at no charge.
- E. Overnight parking is not permitted.
- F. If the entry voucher is lost or damaged to such an extent that it is illegible, the user may pay for parking at the car park checkouts using the vehicle number plate.
- G. Requests for an invoice must be made when paying for parking at the manned car park checkouts.

The rates can be consulted on the "How to reach us" > "Car" page of the event website.

PARK PRIVACY INFORMATION

Privacy Information - for the processing of personal data carried out through automatic number plate reading system - pursuant to Article 13 of Regulation (EU) 2016/679 ("GDPR")

Near the access gates to the vehicular lanes in front of and at the entrances to the parking lots of **Italian Exhibition Group S.p.A.** (hereinafter, "**IEG**" or "**Holder**") - Rimini headquarters, are operating systems for reading the license plates of vehicles in and out of the aforementioned gates, through special devices.

All these systems are appropriately indicated by signs placed before their range of action.

Data Controller

Data Controller is Italian Exhibition Group S.p.A. based in Rimini, Via Emilia, 155.

More information about the Data Processors may be requested by writing to the Data Controller. The data subject may exercise his or her rights by writing to the Data Controller Italian Exhibition Group S.p.A. or to the Special Video Surveillance Attorney, based in Via Emilia, 155 - 47921 Rimini (Italy) or to the e-mail address: privacy@iegexpo.it

Data Protection Officer (DPO)

Italian Exhibition Group's Data Protection Officer is lawyer Luca De Muri, as previously domiciled for office at Italian Exhibition Group S.p.A. E-mail address: privacy@iegexpo.it.

Personal Data Processed

Video footage and/or images concerning: license plate number of vehicles entering or exiting the access gates.

Purpose and legal basis of processing and retention period

The systems described above are installed for the **following purposes**:

- Access management and verification, through the vehicle license plate reading system, for employees/visitors/exhibitors/suppliers of IEG;
- Access management and verification of users with "car pass";
- Management of administrative obligations relating to parking payment;
- Management of technical and/or logistical issues.

Legal basis

The legal bases that make the processing lawful are:

- Fulfillment of legal obligations regarding the verification and management of access to the areas described above and for the purposes mentioned above.

Retention period

Italian Exhibition Group SpA, as Data Controller, retains the license plate reading images for a period of 10 days, starting from the moment the images were taken, except for the UnipolMove service, for which Italian Exhibition Group SpA, as Data Processor, will retain the license plate reading images, from the moment the vehicle leaves the parking lot and for a period of 100 days following the last calendar day of the month in which the parking was carried out.

After the aforementioned retention periods, the images are subject to automatic deletion, through an overwriting system. In any case, special needs for further conservation are reserved, determined by, for example: episodes having criminal relevance; specific investigative requests from the Judicial Authority.

Subjects authorized to process

The data may be processed by the personnel and operators of IEG's external supplier companies, deputed to the pursuit of the above purposes, who have been expressly authorized to process the data by appointment provided by the Data Controller, and have received due operating instructions and are bound by professional secrecy.

Data recipients

The data can be communicated at the request of the Judicial Authority and/or Public Security.

The data may be communicated to the UnipolTech Partner as the supplier of the UnipolMove electronic toll collection service based on the reading of the license plate of the vehicles.

The data may also be processed, on behalf of the Data Controller, by subjects designated as Data Processors pursuant to art.28 of the GDPR

Transfer of data abroad

Data are not transferred abroad.

Rights of the data subject - complaint to the Supervisory Authority
