

#SAFE BUSINESS BY X IEG

IN THE EXPO CENTRE

Hand sanitizer dispensers throughout the area

Preference for contactless payment systems

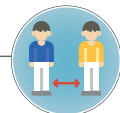

Flow management with centralized digital tracking and on-site controls of the halls with specialized stewards

Evolved fittings with safe, Covid-free materials

Trade Show app and signage integrated with instructions on anti Covid-19 behaviour

Calculation of the Expo Centre's capacity in relation to distancing regulations

Extended opening hours, prolonged on the days when more public is expected

Personal protection devices on the stands for exhibitors and clients
